## PICKS OF THE WEEK

### Read of the Week

In [\*Thinking, Fast and Slow\*](#), Daniel Kahneman takes us on a groundbreaking tour of the mind and explains the two systems that drive the way we think. System 1 is fast, intuitive, and emotional; System 2 is slower, more deliberative, and more logical. Kahneman exposes the extraordinary capabilities—and also the faults and biases—of fast thinking, and reveals the pervasive influence of intuitive impressions on our thoughts and behavior.

### Movie of the Week

In the Academy Award nominated film [\*A Week with Marilyn\*](#), Colin Clark (Eddie Redmayne), an employee of Sir Laurence Olivier's, documents the tense interaction between Olivier (Kenneth Branagh) and Marilyn Monroe (Michelle Williams) during production of *The Prince and the Showgirl*.

## Album of the Week

30 years, 80 million album sales, close to 2000 live performances, and now 15 studio albums of unerring quality and power: [Iron Maiden](#)'s latest release, [En Vivo!](#), shows they have more than earned their proudly-held status as undisputed heavy metal champions of the world.

## Website of the Week

[Artists for Peace and Justice](#) is a non-profit organization supporting communities in Haiti through programs in education, health and dignity. With your help, they are removing the barriers poverty poses to a future of opportunity for children in Haiti.
